MEMORANDUM FOR: Director of Data Processing

FROM: ┌─────────────────────┐   STAT
                  └─────────────────────┘
                  Director of Logistics

SUBJECT: Letter of Appreciation ─┌──────────────────┐   STAT
                                          └──────────────────┘

On behalf of the Office of Logistics, I would like to
express my appreciation for the fine support that ┌──────────────┐   STAT
                                                   └──────────────┘
provided in developing the computer-based paid-parking program.

Because of ┌────────────────┐ efforts, OL has the means to   STAT
           └────────────────┘
effectively manage the paid-parking program whenever it is
implemented at the Headquarters Building.

                              ┌──────────────────────────┐   STAT
